

Mathis Carlson is a technical sales engineer for Meditrac, the leading manufacturer of corrugated medical gas tubing. As a technical sales engineer, Mathis assists in medical gas system design and sizing, technical support, training, and general medical gas information.

Prior to joining MediTrac, Mathis spent 12 years working as a medical gas verifier and instructor after working as a plumber specializing in medical gases for 10 years. Mathis holds multiple ASSE medical gas certifications including 6005 Specialist, 6010 Installer, 6020 Inspector, 6030 Verifier, 6035 Bulk Verifier, 6040 Maintenance, 6050 Instructor, and 6060 Designer. He also maintains his ASME IX brazing certification and Master Plumber license. In addition, he holds the MGPFO CMGV certified medical gas verifier credential.

When Mathis is not doing something involving medical gas, he loves spending time with his three kids and traveling to all corners of the globe with his wife. Mathis is an avid skier and scuba diver, and he is always up for the next adventure.
