

MGPHO Exhibitor & Sponsor Guidelines

The Medical Gas Professional Healthcare Organization (MGPHO) is proud to offer vendor exhibit space at the October 6-8, 2026, 25th Annual MGPHO Educational Conference in Las Vegas, Nevada

The exhibit space will be open to attendees during the MGPHO Vendor reception October 7th, 2026, from 5:00 pm to 8:00 PM.

Sales activities (handouts, flyers, soliciting etc.) outside of the vendor hours during the official MGPHO events and meetings are strictly prohibited.

Final room location, booth assignments if needed, set up times and instructions will be provided to registered vendors by October 6th. Every attempt will be made not to locate competitors next to each other.

Shipping information for exhibit materials will be provided at least 30 days in advance of the event.

The MGPHO exhibits are 6' tabletop displays, and the designated booth space is approximately 8'x8'. Please refrain from larger exhibits as MGPHO may not be able to accommodate them. While power for displays may be available, MGPHO **does not** guarantee or provide power accommodations.

Most of the exhibit space is occupied by MGPHO's corporate sponsors as part of their sponsorship package. **MGPHO corporate sponsors still must register for the conference to secure their booth space. The deadline for MGPHO corporate sponsors registration is August 31st, 2026.**

The remaining exhibit spaces may be purchased by members or guests for \$1,800.00.

All vendor packages include two booth representatives; any additional attendees must register at the member rate of \$350.00.
